All prices are **US FUNDS**, taxes and licenses are extra. Elk camps (3 per year) are normally held to four hunters to insure a healthy population and quality hunt. Rifle hunt dates for elk are 9/10-18 – 9/22-30 – 10/4-12. Moose is 10/15-23. For a non-hunter accompanying licensed hunter, the price is \$250 per day. A 50% deposit is due at the time of booking to confirm your hunt; the balance is due on arrival in certified funds only. Other combination hunts are available. We offer summer pack trips for fishing, photos and fun.
